LYONS, NEW YORK

VOLUME 8

FOREWORD

This is your yearbook ---- vivid memories of a happy exciting year. This is you and your town, as you were in the year 1959-1960.

The LYONS TALE staff this year has sought to preserve for you those special moments and memorable events that have given this year its distinctive personality.

It is our hope that you will find interest in these pages today, love them in a year or two, cherish them forever.

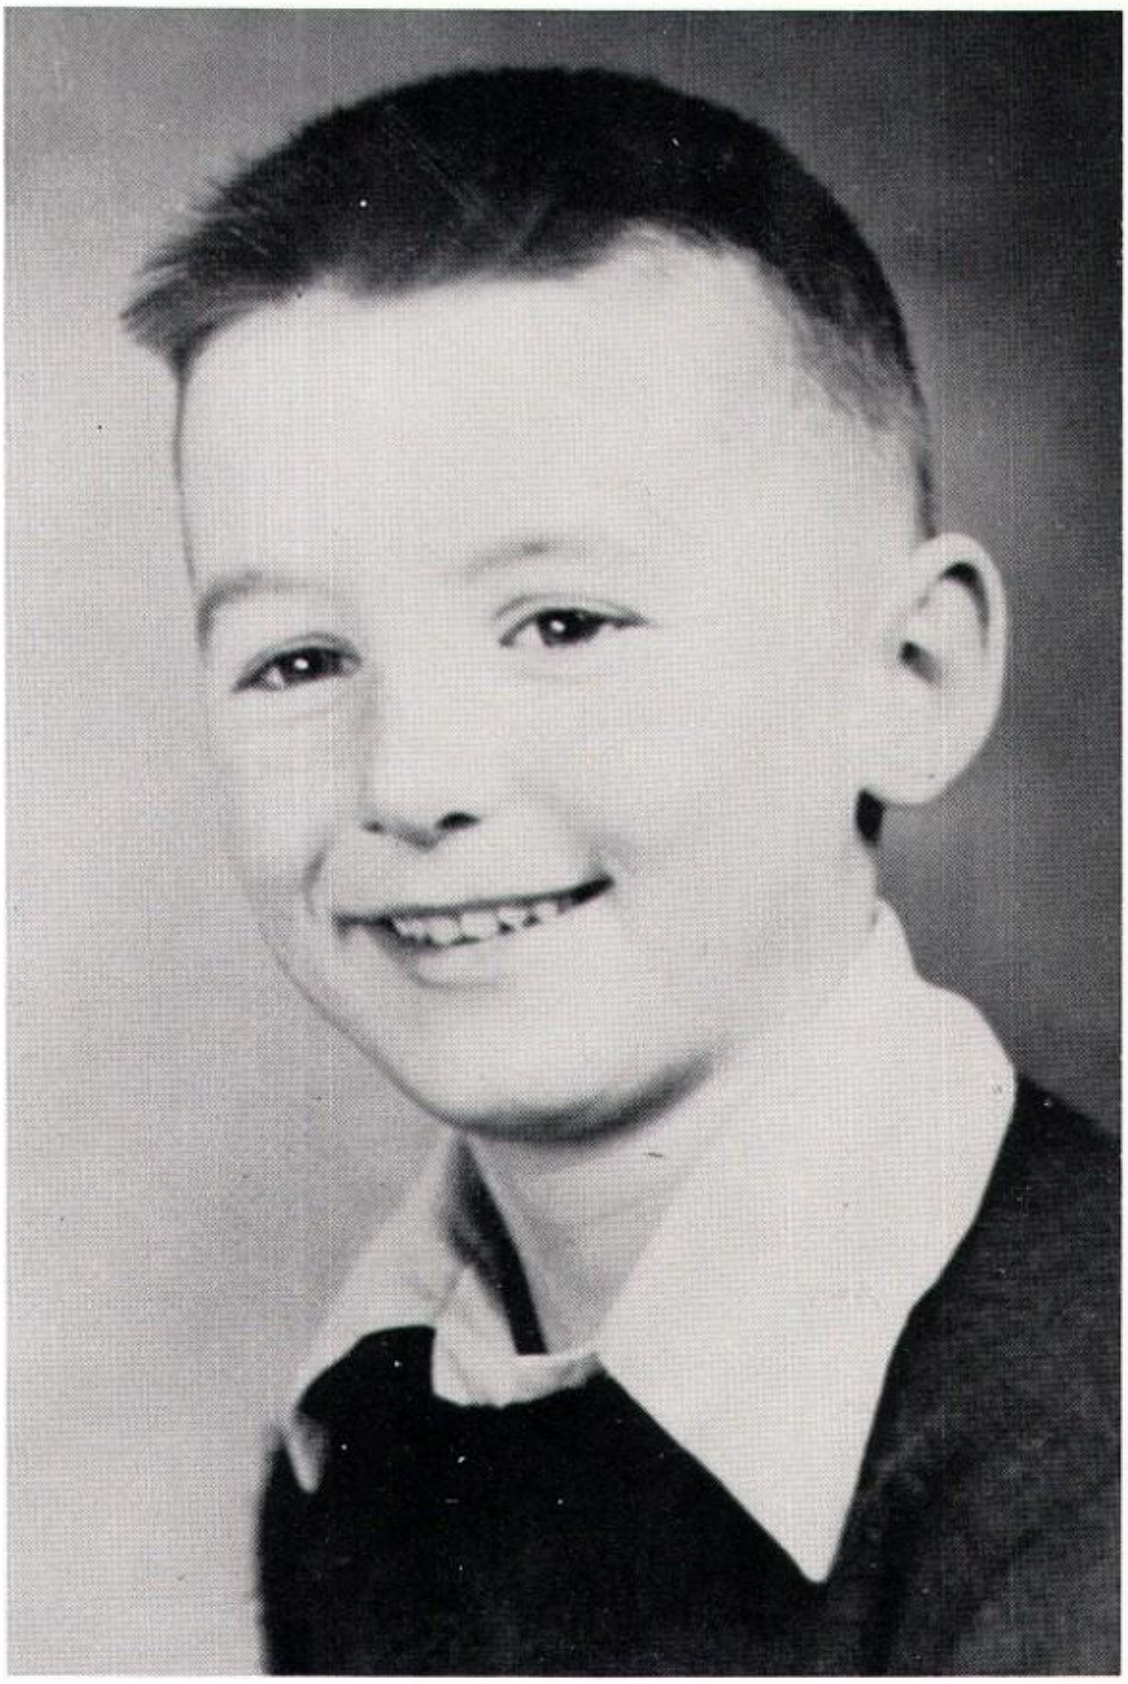
dedication

The Class of 1960 proudly dedicates this edition of the "Lyons Tale" to you, our parents. We honor you with this small token of our great appreciation for your love and understanding, which have been of utmost benefit to us in the past and will continue to be in the future.

Although we may have seemed impossible to you at times, we may have tried your patience, and perhaps we may have overwhelmed you, you faithfully continued to guide us on the road to maturity. Sympathizing with our sorrows, rejoicing in our happiness--these are the symbols of your undying devotion.

Moms and Dads, we thank you.

In Memoriam



MICHAEL BASTIAN HOLLY
1942-1953

Although the swimming accident which took Mike's life occurred several years ago when we were in the fifth grade, we still remember him as our good friend and companion. He loved all sports.. .....even the sport that took his life.

Because Mike would have been a member of our Senior Class, we dedicate this page in our yearbook to him.

In Memoriam

PAUL WILLIAM LENTS
1942-1958

We remember Paul for his keen sense of humor and his witty ways. Everyone enjoyed his splendid solo performances in various choral productions. His untimely death came as a great shock to all of us, especially since he was our good friend and classmate.

Because Paul would have been a member of our Senior Class, we dedicate this page of our yearbook to him.

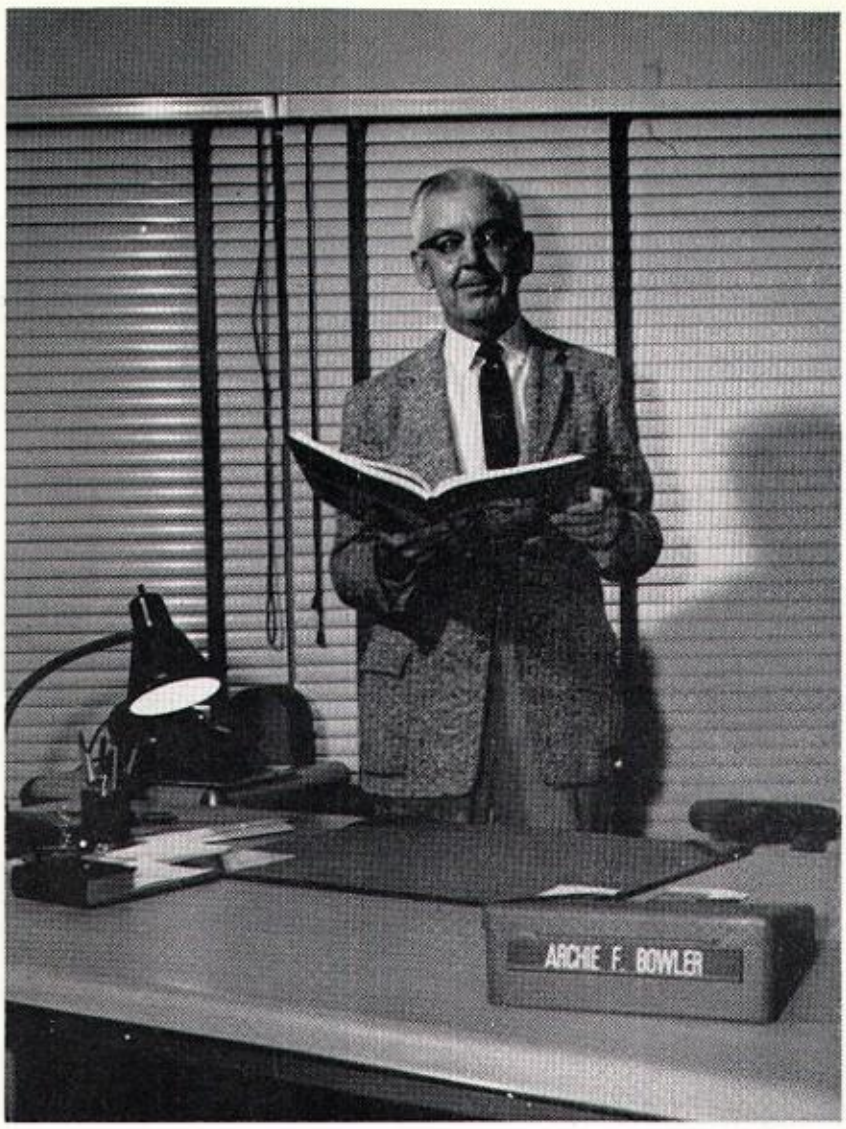
THEY SAY -



ARCHIE F. BOWLER
Supervising Principal

How Fortunate you really are!

You are living in a country where all the education you desire and can master is yours for the asking, where you can worship in the Church of your choice without prejudice or persecution, where you can state your opinions freely without fear and where the opportunities for acquiring material things are almost unlimited.

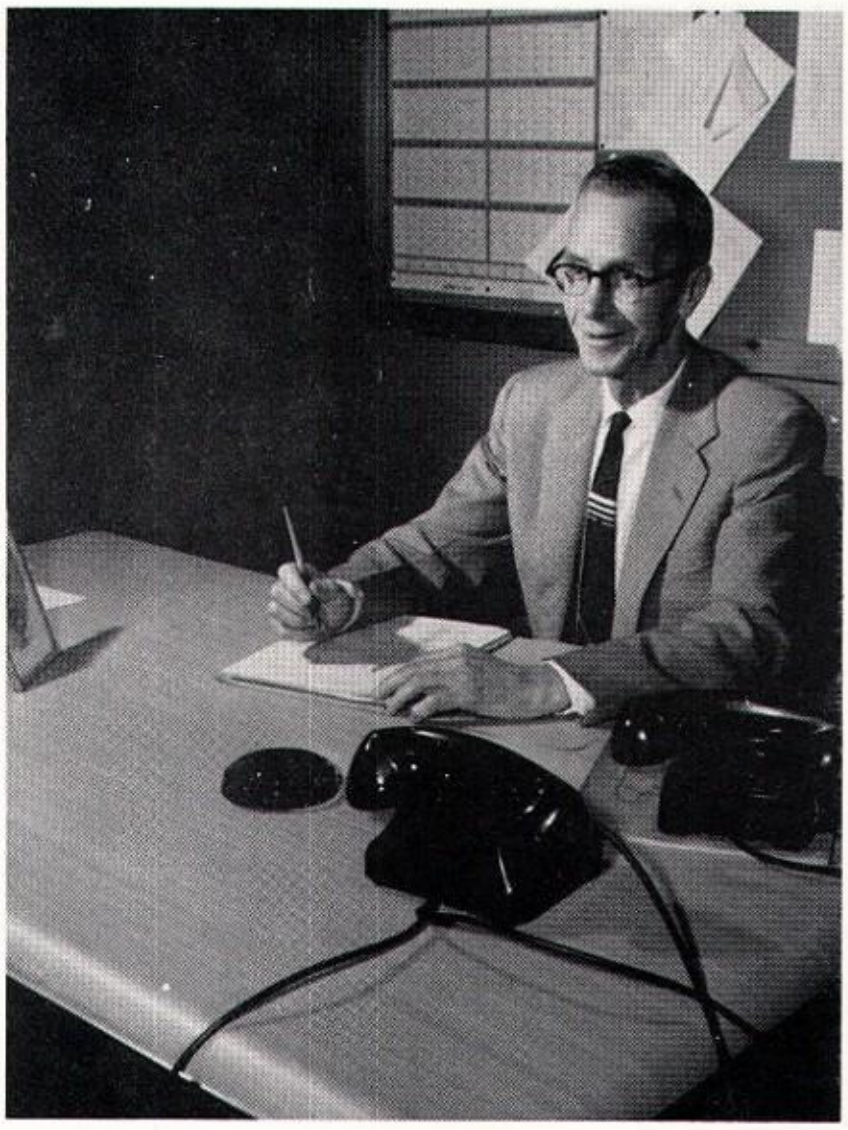
You are living in a country of great cities and extensive farmlands, of pleasant villages and neighborly hamlets, of mountains and plains. Your home is truly your castle and you may build it where you will.

You are living in a country where the possibilities of being of service to others are limited only by the size of your heart.

You are living in a great nation surrounded by friendly borders, wide oceans and beckoning planets.

You are living in a nation, blessed beyond all others, in a period in time when man is knocking at the door that may open up to him the far hidden secrets of life itself.

Go out then, without fear, with pride in your heritage and with faith in God, to make the most of what life offers.



ELBERT S. ATWOOD
Vice-Principal

What other people think of you will be of great importance throughout your life. Their reactions will influence your evaluation of success and be a determining factor in your happiness. Even greater than this will be your own evaluation of yourself, for you will not be easily fooled.

SENIORS

CLASS HISTORY

We the class of 1960 look back on four momentous years of high school, accented with many highlights.

We were off to a rolling start in our freshman year with Louise Renzi as class president and Mr. Rees as our adviser. Some profitable bake sales were sponsored by the class. We also launched a successful pencil sale.

Joe Fowler headed our class in our sophomore year under the guidance of Mr. Buell. The 'Soph Hop' proved to be fun--but not too profitable!

During our junior year, with Jim Arseneau as president and Mr. Rees again as our adviser, we began to realize how important the time element was in our money-making projects. We succeeded in selling $1600 worth of stationery. This sale gave quite a boost to our budget. We had charge of a pencil machine, operated a hot dog stand at football games, and assumed responsibility for the milk break and the milk bar in May. As Juniors we anxiously awaited "that day" when we would receive our class rings and really feel like upper classmen. What excitement when it arrived! We loved them so much that we used the crest on this, our yearbook.

The highlight of our junior year was our Junior Prom, "Hawaiian Holiday." We were said to have had the most original and most attractive decorations in years. Of this, we were very proud!

As our all too final senior year whizzed by with Louise Renzi as president and Miss Tierney and Mr. Marshall as our advisers, we could hardly believe that the time would soon be drawing near for yearbook deadlines, the last day of milk bar, the senior trip, and that day of good-byes--commencement.

Our activities included a magazine drive, the class just missing its goal of $6000 by a narrow margin. We also sponsored bake sales and had charge of the 10:10 milk break, the milk bar, and the sale of candy and pop at basketball games.

Our December senior ball, "Frosty Glo", was a tremendous success.

Looking at our high school years in retrospect, we are saddened to think that they will soon end, but we are inspired with the great opportunities that lie ahead.

TINY TALKS

The idea of being Lyons' first exchange student naturally scared me a little at the beginning, and with shaking knees and a wild-beating heart, I made my way to school. But I soon found out that I had no reason to be nervous because from the first moment on everybody in the whole community as well as at school, with his wonderful hospitality and openhearted friendliness, made me feel at home and included me in many activities. Arriving without knowing a single person and leaving with a lot of dear and good friends, going to an entirely new school and parting from the nearest and friendliest one I have ever known, getting a new family and going away with the pain of leaving one's home--those were the marvelous experiences I was able to have during my year in this wonderful and friendly Lyons community.

I really do hope that one of our six Lyons candidates will meet a similar community spirit and the same desire for understanding and becoming acquainted with others when he or she goes abroad next summer as the first exchange student from Lyons.

STANDARD BEARERS

Each year one boy and one girl from the Senior Class are chosen to fulfill one of the most honored duties at Lyons High--that of standard bearer. Selected on the basis of leadership were Cecelia Santelli and Joseph Fowler. As standard bearers, we feel that Cecelia and Joe have diligently upheld these qualities of leadership and citizenship in our school and in our community.

UNDERCLASSMEN

Underclassmen . . . . . .

As we, the seniors of 1960, are nearing the date of graduation from Lyons Central School, we leave to you, the underclassmen, the responsibility of upholding the ideals that have been a part of the school's tradition. One of the goals of your high school career should be to uphold the school's standards in regard to scholarship, service, and leadership. In order to obtain this goal, you must strive to be good citizens in your school and community.

Our baseball team, under the direction of Coach John Gould ended the season with 7 wins and 7 losses in league play. By defeating Newark twice, we won top honors in Wayne County and were eligible for the sectionals. In the sectionals, however, we were defeated at Batavia by a score of 6 to 10.

With more experienced pitching, we should have an ever better season next year.

TENNIS

The tennis team, under the direction of Coach Boice, had a successful season. By winning 3 out of 4 division matches, Lyons took the division championship.

COACHES--Burroughs, Hatsell, Lawrence

In the finest season since 1949, our team won six games, lost one and tied one. After many years of being the doormat, Lyons came within one game of winning the league championship.

At the beginning of the season this looked like a rebuilding year. However, this group developed quickly into a strong, aggressive club. The team won five straight games before being tied by last year's champs, Seneca Falls. After winning the next game, Lyons lost the championship to neighboring Clyde.

We are losing several outstanding seniors, including all-conference tackle Jim Trombino, but eight of our starting eleven will return, and the prospects for next season look good.

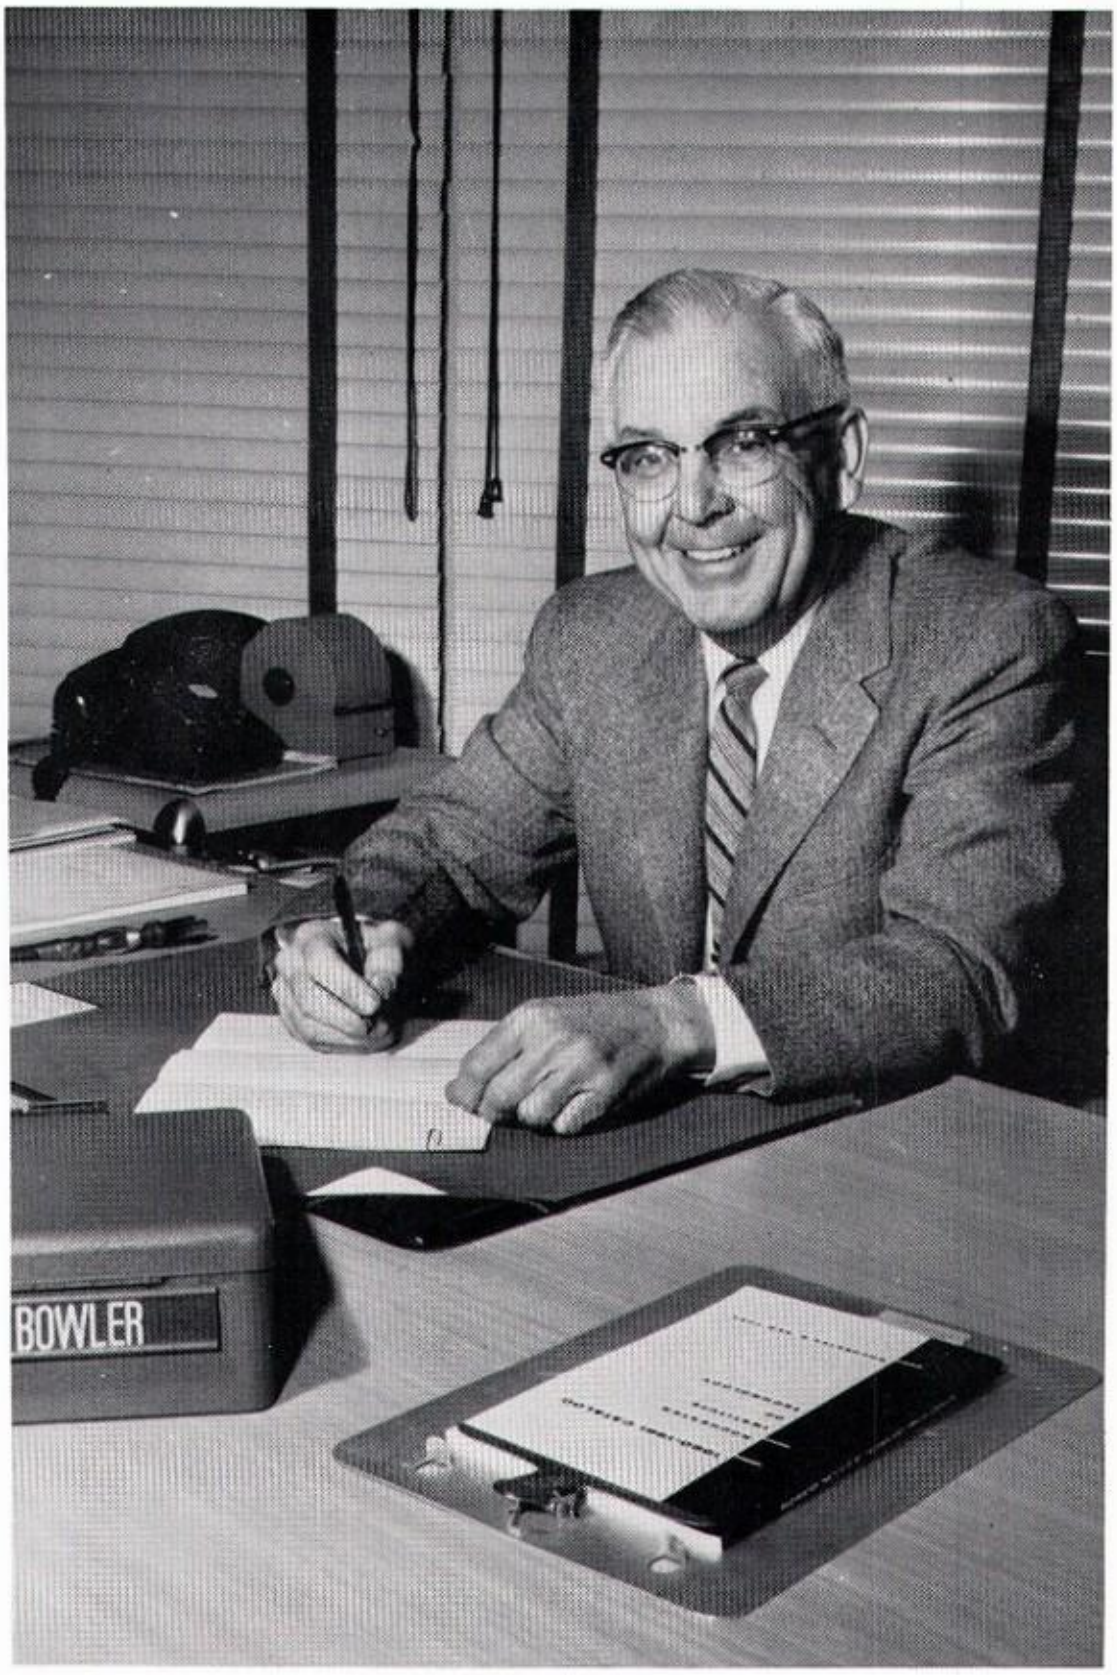
In Appreciation

To Miss Vivian Henry whose supervision and guidance made possible the 1960 Lyons Tale. This was Miss Henry's first year as advisor and we hope not her last.

.....to Mr. Horace Rees for his effort and time spent in managing the business portion of the 1960 Lyons Tale.

.....to Mr. Elbert S. Atwood under whose administrative direction the Lyons Tale has been made possible.

We thank, not only these three, but all of the faculty and student body for their co-operation and consideration during the editing of this, the 1960 Lyons Tale.



Dear Mr. Bowler,

Words cannot express our deep appreciation for the help and advice you have given us during our four years at Lyons Central School.

We know that every student you have had in your 26 years as supervising principal at Lyons Central feels as we do.

Although we know the school will not be the same without you, we want to wish you the best of luck in your retirement and your new writing career.

John
We could make
a swell combination
this summer on trips
to Sodus. But we'll have
to remember I am not supposed
to drink (what a joke)

John—
You're gotta swell girl here
in Sodus, and she's as loyal
as anyone could ask for. From
what we've been together, you're
a damn good sport! You
have to be, if you've taken
all that all the fellas from
Sodus have dished out.
Lots of luck in the future!
Ray Hewson

See you
around Sodus
Point John — Stay
out of deep water
with the "Fruit Farm"
sailboat!!
Mr. Pearson

John,
I just have one
thing to say. The next
time we drink, I hope
the boat we go off
in walking all over God's
salt lake.
-Gut

AUTOGRAPHS

John,
Let's remember all the good times we've had and forget the rest. I know I've made alot of mistakes in my life, more than my share. I feel that my biggest two were drinking and treating Carm as I have. Maybe someday you can help me in becoming friends with you and helping Carm and I out in whatever is to be between us. I'm sorry for all the troubles I've caused you and Karen. Lots of luck with her and everything you do.

As always,
Jeanne

John,
I hope I am in on some of those beer parties this summer at point. If there something last summer.
Ralph (Shit)

John,
Karen is a swell kid! We've had a lot of fun together on our rides to Sodus. We will have more fun. I hope. By the way, got any more good jokes. I can't wait, tiff Jr. Prom. Saw bout you. Be good now and make up for it on your Senior Drip. Next year you can right in the front of the book. Bub
Love
Marty

John,
Best of luck always
to a fine friend and classmate.
I will probably see you out to
the point this summer with
Karen. When you are working
on the boat be sure you don't
let your mind wander to much.
I hope you get your lisceuse
because your going to be in a
mess without it.

Joan.

P.S. Remember Drivers Ed. Class.

John;
To a real good basketball player and a real
nice kid. Lots of luck next year.

Chet

John,
We have had a lot of fun
Drivers Ed. Your advice about
Sodas is good and True!
Lots of Luck with Karen, she's
a sweet kid and deserves
the best.

Always,

John,
Do you think
There'll be another
$.25 sale sometime?
You & I have put up
with a lot from Dave & Sherry
haven't we? I hope it lasts
this time. Good luck with Karen. And
thanks for those words of advice
you gave me that terrible day.
Phyllis

John,
Some day we will
really go out and get
looped. But really good.
Good Luck in the future
Dawn

John,
Best of luck always
to a real sweet kid.
Take it easy in Sodus
this summer.
